Again, I hope you are both well. I enjoy all the transcripts, etc. you send me.

By the way, I just read a book about the Dr. King assassination. You are mentioned several times. The title is Orders to Kill

Dear Harold + Lil -

I hope this note finds you well. I'm sorry I did not see you when I came to Beltsville. I actually drove down with my son, Sam. We simply watched baseball and went to Washington D.C. one day to see Sam's Grandfather.

I did not make the 1st trip to Texas but I hope to make the next one in August. I would love to arrange a meeting with Jim Tague.
